

Barone Cornacchia "Passerina" Casanova 2021 - 75cl

Since 2006, we have enriched the Casanova range with a wine using 100% **Passerina** grapes. Previously, this native variety was blended at 15% with our Trebbiano. The result is a fresh and easy-drinking wine. It is classified as a Passerina Biologica Vegana DOC Controguerra, one of very few in Abruzzo.
